Postponed to 8-12 March 2021¹**STATUS OF CONTRIBUTIONS AND DISBURSEMENTS
Report from the Treasurer**

1. The present document provides information on the Status of the Multilateral Fund² as recorded at UNEP as at 30th October 2020. Annex I to the document contains the following tables:

- Table 11: Status of Contributions for 2015
- Table 12: Summary Status of Contributions for 2012 – 2014
- Table 13: Status of Contributions for 2014

2. As at 30th October 2020, the fund balance is US \$324,044,205 in cash, after considering all the funds approved by the Executive Committee, up to and including the intersessional approval process established for the 85th meeting.

¹ Due to coronavirus disease (COVID-19)

² The Executive Committee requested that the explanation of the methodology and assumptions being used by the Treasurer be made available through the intranet (decision 40/2(b)(i)). This record of assumptions and methodology first published in the Treasurer's report document UNEP/OzL.Pro/ExCom/39/3/Rev.1 is still available for reference by the Executive Committee members on the restricted area of the Multilateral Fund's website.

3. Forty Parties have paid their 2020 contributions either in full or partially, representing 96.2 per cent of payments against the total 2020 pledges, and 97.2 per cent of the triennium pledges.³

4. Information on the fixed-exchange-rate-mechanism (FERM)⁴ has been updated and reflects a loss due to the FERM of US \$30,221,227 since its inception, which is lower than the US \$32,842,029 reported to the 85th meeting.

Actions on outstanding contributions

5. In January and end of October 2020, the Treasurer dispatched invoices to all non-Article 5 Parties for their 2020 contributions to the Fund, as well as reminders to Parties with outstanding pledges,⁵ where applicable.

6. As a follow up to paragraph 6(c) of document UNEP/OzL.Pro/ExCom/85/3,⁶ the Chief Officer held a virtual meeting with the Government of Israel to further discuss its outstanding contributions and explain the option of bilateral cooperation available under the Fund to contributing Parties for settling their contributions. The Secretariat offered a follow-up session to explain assumption and methodology used by the Treasurer in recording assessed and bilateral contributions.

Reconciliation of bilateral contribution records

7. The Treasurer and the Secretariat are reviewing the funding amounts of bilateral contributions recorded in the status of the Fund with those in the Secretariat's inventory of approved projects, as balances from completed or cancelled projects under bilateral cooperation were returned years after the project had been approved. During this process, the Treasurer thoroughly reviewed the invoices sent to bilateral contributing Parties, the actual amounts paid (in cash) to the Fund, and the actual net amount paid as bilateral contribution (after considering balances returned). As a result, adjustments have been made to the status of contributions and disbursements contained in the present document for few non-Article 5 countries⁷ that traditionally make their payment in full to the Fund and subsequently request the services of the Treasurer to make a cash transfer of the amount of their bilateral contribution to one of the implementing agencies that will implement the project on their behalf. The adjustment made by the Treasurer did not impact on the net contribution by the non-Article 5 countries concerned; however, it resulted in an additional cash contribution to the Fund and a reduction (in the same amount) of the bilateral contributions. At the time of issuing the present document, the review for a few other Parties⁸ could not be concluded. Therefore, the Treasurer will inform the Executive Committee on the outcome of the review when concluded.

Recommendations

8. The Executive Committee may wish:

³ In response to decision 41/2, the list of outstanding contributions for certain countries with economies in transition will be available upon request.

⁴ A total of 14 Parties opted to use the FERM for the 2018-2020 triennium in accordance with decision 81/1(b).

⁵ In response to decisions XI/6 paragraph 7 (urging Parties to strive to pay their contributions as early in the calendar year as possible); XVII/41 paragraph 5 (urging Parties to pay their contributions to the Fund in full and as early as possible); and XVI/37 (urging some Parties that have never paid their contributions to the Fund or have done so at an amount inferior to their contribution to do as soon as possible).

⁶ To request the Chief Officer and the Treasurer to continue following up with Parties that had outstanding contributions for one triennium or more and to report back at the 86th meeting.

⁷ Czech Republic (US \$10,637), Germany (US \$10,099), Japan (US \$582,046) and Sweden (US \$25)

⁸ Canada, Finland, France, Portugal and Spain.

- (a) To note the report of the Treasurer on the status of contributions and disbursements, contained in Annex I to the present document;
- (b) To urge all Parties to pay their contributions to the Multilateral Fund in full and as early as possible;
- (c) To request the Chief Officer and the Treasurer to continue following up with Parties that had outstanding contributions for one triennium or more, and to report back at the 87th meeting;
- (d) To note the adjustments in the bilateral contribution by the Czech Republic, Germany, Japan and Sweden, resulting from a reconciliation exercise among invoices, payments and the Secretariat inventory of approved projects, included in Annex I to the present document; and
- (e) To request the Treasurer in cooperation with the Secretariat to finalize the review of the amounts of the bilateral contribution by Canada, Finland, France, Portugal and Spain recorded in the Fund, and to report back at the 87th meeting.
