EXECUTIVE COMMITTEE OF
THE MULTILATERAL FUND FOR THE
IMPLEMENTATION OF THE MONTREAL PROTOCOL
Eighty-seventh Meeting
Montreal, 28 June-2 July 2021¹

SECRETARIAT ACTIVITIES

Introduction

1. This document presents the activities of the Secretariat since the conclusion of the extended intersessional approval process established for the 86th meeting of the Executive Committee (IAP-86ext).

Actions taken following the IAP-86ext

2. The Report on the extended intersessional approval process for the 86th meeting² was conveyed to all Executive Committee members, implementing agencies and the Ozone Secretariat, and was placed on the Multilateral Fund's website.³ Results of the IAP-86ext related to project approvals were communicated to nine Article 5 countries, and the relevant bilateral and implementing agencies.

3. The Secretariat continues to review and update databases, summary documents and operational guidelines,⁴ where applicable.

Preparation for the 87th meeting

4. The Secretariat continues monitoring the evolving situation of the COVID-19 pandemic to facilitate the work of the Executive Committee. On 21 May 2021, Executive Committee members were informed of dates and agenda for the 87th meeting, and draft procedures for the meeting. Due to the constraints for travellers to Canada and the inaccessibility to the meeting venue at the International Civil Aviation Organization (ICAO) building, the Executive Committee was informed that an in-person meeting would

¹ Online meetings and an intersessional approval process (IAP) will be held in June and July 2021 due to coronavirus disease (COVID-19).

not be held, but would instead be offered through combination of virtual meetings, similar to the format used for the postponed 86th meeting, as well as an intersessional approval process (IAP-87). Members were also informed that for formal online meetings, the Secretariat secured interpretation services that would be available only from 25 to 28 June 2021, from the United Nations Office at Nairobi, and that tentative bookings for holding additional meetings at ICAO have been made from 15 to 19 November 2021 (i.e., the dates agreed for the 88th meeting) and from 7 to 11 March 2022 should the Executive Committee wish to meet in person to discuss outstanding items that could not be concluded.

5. The Secretariat prepared the meeting documents for the 87th meeting; a site containing these meeting documents in Arabic, English, Chinese, French, and Spanish was created on the Multilateral Fund's website. To facilitate the 87th meeting, the Secretariat established a password-protected forum for the IAP-87 and an in-session area for the virtual meetings and prepared a draft document on Procedures for conducting the 87th meeting.⁵

Meetings attended and missions undertaken

6. Due to the outbreak of COVID-19, no missions were undertaken.

Virtual, 6 May 2021

7. The Chief Officer and four Senior Programme Management Officers participated in an online meeting regarding a potential framework and workplan for the Kigali Amendment with relevant stakeholders, organized by the CCAC.

Virtual, 12 May 2021

8. A Senior Programme Management Officer participated in an online meeting on HFC freeze and and phase-down strategy preparation, organized by the Regional Montreal Protocol Network for Europe and Central Asia. The Secretariat made a presentation on the analysis of the implications of parallel or integrated implementation of HCFC phase-out and HFC phase-down activities.⁶

Virtual, 21 May 2021

9. The Chief Officer and the Deputy Chief Officer, together with four Senior Programme Management Officers and the Senior Fund Management and Administrative Officer, attended the Fourth Extraordinary Meeting of the Parties to the Montreal Protocol.

Virtual, 22 and 24 May 2021

10. The Chief Officer, and the Deputy Chief Officer, together with four Senior Programme Management Officers and the Senior Fund Management and Administrative Officer, attended the meeting on the replenishment of the Multilateral Fund as a part of the virtual 43rd Meeting of the Open-ended Working Group of the Parties.

Inter-agency coordination meeting

11. The COVID-19 pandemic continues impacting on the work of the Secretariat, both in time and workload, the Secretariat was unable to convene an inter-agency coordination meeting. The Secretariat notes, however, that all documents prepared for the 87th meeting were the results of continuous

⁶ UNEP/OzL.Pro/ExCom/84/65

collaboration and cooperation of bilateral and implementing agencies during the review process where all complex issues were discussed in detail and satisfactorily resolved, and mutual agreement was reached.

Staffing and recruitment

12. The process of selection for the post of Senior Monitoring and Evaluation Officer (P-5), has been finalised, with the selection of Ms. Nuria Castells Cabre starting August 2021.

13. Recruitment and contractual arrangements for translators to assist in the translation of meeting documents for the 87th meeting were finalized. The contractual arrangements for interpreters and report writers for the 87th meeting were coordinated with the United Nations Office in Nairobi.

Staff development and training

14. All staff members undertook a number of mandatory UN online training courses. A Senior Programme Officer volunteered to take part in the UNEP Anti-Racism task force.

15. Several Senior Programme Management Officers attended the following webinars :

- Mainstreaming gender into Montreal Protocol activities, organized by UNDP
- Chilling Prospects: Tracking Sustainable Cooling for All 2021, organized by the Sustainable Energy for All
- Unpacking the results: A recap of the earth day leaders climate summit, organized by the Climate Finance Advisors
- Servicing A2L Refrigerant Systems, organized by the Air-Conditioning, Heating, and Refrigeration Institute
- A Hot Market for Renewable Cooling, organized by the International Renewable Energy Agency, UNEP, and the Sustainable Energy for All

Cooperation with multilateral environmental agreements (MEAs) and other organizations

16. Pursuant to decision 79/1(b), the Secretariat has included a full overview of the status of all discussions with MEAs and other relevant organizations in Annex I to the present document.

Multilateral environmental agreements

Montreal Protocol

17. Upon request by the Technology and Economic Assessment Panel (TEAP) task force, the Secretariat continued to provide responses to the task force on questions related to the replenishment of the Multilateral Fund for the 2021-2023 triennium.

United Nations organizations

Office of Internal Oversight Services (OIOS)

18. The Secretariat continued to have discussion with the OIOS, provided additional information and comments on the draft findings of the audit of the Secretariat, which aims to assess the efficiency and effectiveness of the provision of services at the Secretariat covering the period January 2018 to December

2020. The Secretariat will communicate to the Executive Committee the results of the audit, once it has been completed.

Other organizations

Government of France

19. Upon request, the Chief Officer provided additional information and responses to questions related to the retrospective evaluation on the French contribution to the Multilateral Fund.

Information on the achievements of the Multilateral Fund and a summary of approved projects implemented by Germany as a bilateral agency.	77
Global Environment Facility (GEF)	
The Secretariat participated in the workshop on “Delivering Multiple Global Environmental Benefits through the Sound Management of Chemicals and Waste”, organized by the Scientific and Technical Advisory Panel and was called on during discussion on identified linkages, especially regarding ozone depletion.	86
Comments on interventions relating to enabling activities, institutional strengthening and support for ratification of the Kigali Amendment in the countries with economies in transition and review of one plan for Tajikistan.	86
Informal on-line discussions between the Secretariat and staff of GEF on possibilities for further collaboration on energy-efficiency matters.	85
Review of one project: Energy efficiency (EE) for air-conditioners in buildings for India.	84
Review of one project: Accelerating Adoption of Sustainable Thermal Comfort: Transition towards Energy Efficient and Climate Resilient Cities in India.	82
Review of four projects: Completion of the phase-out of HCFC consumption with the support of low-GWP technologies in Belarus, GEF project ID 6046; Kazakhstan, HCFC Phase-out in Kazakhstan through the promotion of zero-ODS low-GWP energy-efficient technologies, GEF project ID 6090; Complete HCFC phase-out in Tajikistan through the promotion of zero-ODS low-GWP energy-efficient technologies, GEF ID 6030; Complete HCFC Phase-out in Uzbekistan through the promotion of zero-ODS low-GWP energy-efficient technologies, GEF ID 6003.	80
Review of the project on the introduction of ODS alternatives in agriculture and in the post-harvest sector in Kazakhstan (GEF project ID 9184).	76
Comments on the proposal for a methyl bromide project for Kazakhstan (GEF funding); Provided ideas on the use of funds under GEF 6 for ODS phase-out in non-Article 5 CEIT countries. Information on the discussions at recent Montreal Protocol meetings regarding proposals for an amendment to the Protocol.	75
Review of a project (Introduction of ODS alternatives in agriculture and in the post-harvest sector in Kazakhstan) against the Multilateral Fund’s policies and guidelines.	72
The Secretariat received an invitation to attend the 45 th GEF Council Meeting that would be held from 5 to 7 November 2013. In a further invitation letter to the new Chief Officer, the CEO and Chairperson of the GEF welcomed a renewal of the past cooperation in providing assistance to parties to meet their obligations under the Montreal Protocol and a renewal of historic ties. In response, the Chief Officer informed the CEO that the Fund Secretariat would not be able to attend the Council Meeting due to preparations for the 71 st meeting; however, he advised the CEO that he looked forward to meeting her with a view to strengthening the relationship with the GEF Secretariat.	71

Secretariat advice/discussions held/interaction	Meeting
The Secretariat participated in a meeting of the GEF Chemicals and Waste Technical Advisory Group (TAG) to provide feedback on the draft focal area strategy for chemicals and wastes to guide the sixth replenishment of the GEF (GEF-6). The draft strategy included the Montreal-Protocol-related activities of the GEF.	69
Since the 67 th meeting there has been an interchange of correspondence with the Chief Executive Officer of the GEF on issues related to cooperation between the two funding mechanisms. Consideration has been given to the possibility of issuing a joint Multilateral Fund/GEF publication on the implementation of the Montreal Protocol over the last 25 years.	68
Government of France	
The Chief Officer participated in an interview on retrospective evaluation proposal on the French contribution to the Fund Secretariat and provided additional information as requested	86/87
Courtesy visit to the Ministry for the Economy and Finances of France. Issues discussed included <i>inter alia</i> bilateral co-operation by the Government of France, and the replenishment of the Multilateral Fund for the 2021-2023 triennium.	83
Information on the modalities for additional contributions to the Multilateral Fund.	77
Green Climate Fund (GCF)	
Informal on-line discussions between the Secretariat and staff of the GCF on possibilities for further collaboration, as the consultative meeting on development of GCF energy efficiency sectoral guidance scheduled for 27-28 February 2020 was cancelled due to COVID-19.	85
A representative of the GCF visited the Secretariat and held a number of meetings with the Secretariat staff that provided an opportunity for an exchange of information on how both funds operate and possibilities for further collaboration.	84
Informal discussions between the Chief Officer and the Deputy Executive Secretary of the GCF on matters of interests to both Funds, in the margins of the fourth session of the United Nations Environment Assembly.	83
Meeting documents related the modalities for reporting the administrative costs of implementing agencies including the following documents: UNEP/OzL.Pro/ExCom/26/67, UNEP/OzL.Pro/ExCom/34/52 and, UNEP/OzL.Pro/ExCom/38/59, UNEP/OzL.Pro/ExCom/55/48, and UNEP/OzL.Pro/ExCom/80/43	81
Conference call to provide information on the Multilateral Fund practices regarding concessional lending and incremental costs.	80
Provided link to documents relevant to the Technology and Economic Assessment Panel, Scientific Assessment Panel, and the Environmental Effects Assessment Panel on the Ozone Secretariat's website, and also an introduction to the Ozone Secretariat's Communications Officer; Documents were provided, including: the Executive Committee Primer; Multilateral Fund policy, procedures, guidelines and criteria; the presentation entitled "The Multilateral Fund: Governance, Business Model, Accomplishments, Challenges"; examples of pre-session documents for business planning, project proposals; monitoring and evaluation work programme and project completion reports; business plan templates; progress reporting guidelines; reports of the two evaluations on institutional strengthening; and the monitoring and evaluation work programme.	77
The Fund Secretariat's experience in establishing legal arrangements with implementing entities and establishing a progress reporting system for the Multilateral Fund.	76

Secretariat advice/discussions held/interaction	Meeting
Information on performance indicators developed for the Multilateral Fund; Information on the discussions at recent Montreal Protocol meetings regarding proposals for an amendment to the Protocol; Information on the Multilateral Fund's monitoring and accounting framework including Chapter XI of the Multilateral Fund policies, procedures, guidelines and criteria (monitoring and evaluation); Presentation on capacity building under the Multilateral Fund.	75
Presentation on the Multilateral Fund and a sample of key documents including Secretariat activities, status of the Fund, consolidated business plans and progress reports, a sample of project proposals and policy papers. Further details and discussions on the Multilateral Fund.	74
Overview of the objectives and operation of the Multilateral Fund, including its project review process, policy development, meeting process, and implementation of Executive Committee decisions.	72
The Interim Secretariat of the GCF wrote to the Multilateral Fund on 24 September 2013 with an invitation to attend the 5 th meeting of the Board of the GCF as an observer, although the letter noted that observer status for the Multilateral Fund had not yet been approved. The Fund Secretariat could not attend the Board meeting, which took place from 8 to 10 October, due to preparations for the 71 st meeting. A further letter of 21 October 2013 informed the Fund Secretariat that the next Board meeting would take place in Indonesia from 19 to 21 February 2014, indicated that observer status for the Multilateral Fund had been approved by an amendment to decision B.04/15, and also requested the Fund Secretariat to nominate a contact person.	71
Grenoble School of Management	
Information on the policies and procedures of the Multilateral Fund and the process of project approval for a study on technology learning curves.	80
Intergovernmental Platform on Biodiversity and Ecosystem Services (IPBES)	
Information on practices regarding financial support to meeting participants/delegates.	75
International Energy Agency (IEA)	
The Secretariat and the Executive Secretary of the Ozone Secretariat met with a representative of the IEA. The Secretariat explained the work on energy efficiency in the context of the Kigali Amendment. The representative of the IEA indicated that his Organization had undertaken a compilation of policies and standards on energy efficiency in different countries and made it available to the Secretariat. The representative also shared a report on cooling prepared by the IEA.	83
Joint Inspection Unit of the United Nation	
The Secretariat completed a questionnaire with regard to the review of environmentally sustainable policies and practices across organizations of the United Nations system.	86
An updated summary of the information on technical assistance and funding provided to Small Island Developing States (SIDS) under the Multilateral Fund, which had previously been provided in February 2015. Further clarifications were provided on 20 October and 7 November 2016.	77
Comments on the draft document "Review of Activities and Resources Devoted to Address Climate Change in the United Nations System Organizations"; Substantive information including a summary of technical assistance and funding provided to Small Island Developing States (SIDS) under the Multilateral Fund and comprehensive information on Multilateral Fund projects approved for each country.	74
The Secretariat completed a questionnaire with regard to the review of activities and resources devoted to address climate change.	73

Secretariat advice/discussions held/interaction	Meeting
Comments and factual corrections to information on the Multilateral Fund in the report “Post-Rio+20 review of environmental governance within the United Nations system”.	72
With regard to the 2013 evaluation/review entitled “Post-Rio+20 review of environmental governance within the United Nations system, the Secretariat provided the Joint Inspection Unit with information about the Fund’s structure, funding levels, number and characteristics of meetings, meeting participants, project approval process, support costs, Secretariat personnel levels, history of approvals from 2006-2013, implementation modalities, compliance, governance framework, strategic planning, synergies and coordination with other MEAs, scientific assessments, advocacy and outreach, administration, gender distribution and geographical balance of the Executive Committee and Secretariat.	70
Kigali Cooling Efficiency Program (K-CEP)	
Participation in the webinar on 28 January 2020 on the Nationally Determined Contributions (NDC) Support Facility for Efficient, Climate-Friendly Cooling (NDC Support Facility) – a new initiative that provides funding and guidance to entities that support countries in integrating cooling solutions into the next round of their NDCs. Upon a request by the Secretariat for clarification on whether the project proposals submitted would include safeguards to avoid uptake of energy-efficient cooling applications based on high-GWP refrigerants; K-CEP assured that low-GWP technologies would be promoted through the NDC Support Facility.	85
Upon a request to provide feedback to ITAD Ltd., an organisation that has been commissioned to help develop a better understanding of K-CEP role in promoting energy efficiency in the cooling sector, the Secretariat had a conference call with an ITAD staff member informing on the input provided by the Secretariat to K-CEP in the initial phase of its establishment and its understanding of the linkage of K-CEP’s activities with the Montreal Protocol project activities, particularly relating to HFC phase-down projects.	84
Continued informal sharing of experience of the Multilateral Fund.	80
The Director and one other representative of K-CEP, responsible for coordinating the work of 19 philanthropic foundations on matters related to energy-efficiency and cooling with regard to implementation of the Kigali Amendment, visited the Secretariat on 26 January 2017 to learn more about the Multilateral Fund. K-CEP aims to allocate approximately US \$53 million from philanthropic foundations by the end of 2017 for targeted support through country programmes in a small number of countries and more general support to over 100 countries to improve energy efficiency. Information provided included the Executive Committee Primer; a presentation that summarizes how the Multilateral Fund operates; Guidelines for submitting progress and financial reporting; Guide for preparation of project proposals; the templates for project completion reports; and document UNEP/OzL.Pro/ExCom/74/51 on the Review of institutional strengthening and the associated decision 74/51.	78
Lawrence Berkeley National Laboratory	
The Secretariat provided comments on a draft report on opportunities and risks of efficiency improvement and refrigerant transition in room air-conditioning.	80
Natural Resources Defense Council	
Multilateral Fund Climate Impact Indicator (MCII) including the tool (Excel file), the manual (PDF) and an explanation of the tool (Word file).	81
Minamata Convention on Mercury	

Secretariat advice/discussions held/interaction	Meeting
In July 2013, the Secretariat received an invitation from the Government of Japan to attend the Conference of Plenipotentiaries for the adoption and signature of the Minamata Convention on Mercury, held from 9 to 11 October 2013 in Kumamoto and Minamata, Japan. However, the Secretariat was unable to attend.	71
Multilateral Organisation Performance Assessment Network (MOPAN)	
Following receipt of the assessment report of the Multilateral Fund, a virtual meeting is being organized for the MOPAN Secretariat to present the report to the Executive Committee and a bilateral discussion is scheduled between the two Secretariats on the assessment of the Multilateral Fund, the methodology used and potential flexibility of adapting it to the type of organization to be assessed in future.	86
The Secretariat reviewed the draft assessment report and made factual corrections and provided comments on it. Follow-up communication took place between the two Secretariats with regard to the timeline for the final report and possible ways of sharing key findings with the Executive Committee.	86
The Secretariat provided additional information and clarifications on matters related to the Multilateral Fund to the consultant responsible for the assessment of the Multilateral Fund by MOPAN. The Secretariat had further discussions with MOPAN Secretariat, which indicated that the draft assessment report was in its last stage of preparation and would be submitted to the Secretariat to review it before it is submitted to Member Governments.	85
The representatives of the Secretariat of MOAP and of the service provider that carries out the assessment, visited the Secretariat. The Chief Officer made a presentation on the Multilateral Fund, including its governance, business model and accomplishments. The representatives of MOPAN had a number of meetings with the Secretariat staff. The Secretariat was also informed about the meetings that the evaluators organized with all four implementing agencies of the Fund. The Secretariat provided the contact data of members of the Executive Committee, some of whom would be contacted to provide input to the assessment exercise.	84
The Secretariat attended a meeting at the Secretariat of MOPAN, where an introduction of the Fund was made. Discussions were held on <i>inter alia</i> the scope of the assessment to the stakeholders involved; major differences between the Multilateral Fund and other organizations being assessed, which would lead to a tailored assessment to ensure fairness; the schedule for an inception visit to the Fund Secretariat, and the possible need for the assessment team to attend an Executive Committee.	83
Letter received from MOPAN Secretariat informing that MOPAN's Steering Committee took the decision to assess the Multilateral Fund in its next assessment cycle.	82
Sustainable United Nations (SUN)	
The Secretariat made a presentation at the 31 st meeting of the United Nations Issues Management Group (IMG) on Environmental Sustainability Management, held at ICAO, Montreal on 11 October 2019. The Secretariat presented how the UN offices can collaborate with activities undertaken by the agencies on implementation of projects at national, regional and global levels that promote adoption of ozone friendly and HFC-free technologies. A representative of the Sustainable United Nations (SUN), an office that manages and supports the IMG on Environmental Sustainability Management, visited the Secretariat office and presented the work of this office to the staff.	84
United Nations Auditors	
Provided information and documentation, responses to questions and clarification to facilitate an audit by the Office of Internal Oversight Services which aims to assess the efficiency and effectiveness of the provision of services at the Secretariat to the Multilateral Fund covering the period from 1 January 2018 to 31 December 2020.	86/87

Secretariat advice/discussions held/interaction	Meeting
Background information on the Multilateral Fund and other information including, <i>inter alia</i> , UNEP interim financial statements on the Multilateral Fund; report on contributions and disbursements; progress report; 2015 Monitoring and evaluation work programme; and the link to policy and procedures manual.	75
United Nations Environment Programme	
Together with the Ozone Secretariat, the Multilateral Fund Secretariat provided the Chemicals and Health Branch, Economy Division of UNEP with comments on GCO-II report to the Chemicals and Health Branch including information related to: the accelerated phase-out of HCFCs, the Kigali Amendment regarding HFCs, the increased emissions of CFC-11 according to the publication by Montzka et al. in 2018; compliance with the Montreal Protocol's control measures and data reporting.	82
United Nations Framework Convention on Climate Change (UNFCCC)	
Comments on the draft technical summary of the mitigation benefits of actions, initiatives and options to address non-carbon dioxide greenhouse gas emissions	74
<p>The Secretariat received an invitation in early October 2013 to attend the 19th session of the Conference of the Parties to the UNFCCC and the 9th session of the Conference of the Parties serving as the Meeting of the Parties to the Kyoto Protocol that would take place in Warsaw, Poland, from 11 to 22 November 2013.</p> <p>The Chief Officer informed the UNFCCC Secretariat that he was unable to attend due to preparations for the 71st meeting. Noting that the UNFCCC Secretariat was invited to attend the 25th MOP, he suggested an informal meeting to exploit potential opportunities for collaboration between the two Secretariats. The Executive Secretary of UNFCCC Secretariat responded that the Coordinator of the Mitigation, Data and Analysis Programme, who would be attending the MOP, would arrange to meet bilaterally with him.</p> <p>The representatives of both Secretariats met and discussed informally ways in which the two Secretariats could collaborate in the future as the need arose.</p>	71
University of Bristol	
Provided a summary of the data contained in documents on HFC-23 prepared by the Secretariat, aggregated consumption of HFC-23 reported in surveys of ODS alternatives conducted in 119 Article 5 countries, and data it had derived from publicly available resources during the preparation of document UNEP/OzL.Pro/ExCom/79/48.	83
