COMPOSITION

The Executive Committee shall consist of seven Parties from the group of Parties operating under paragraph 1 of Article 5 of the Montreal Protocol and seven Parties from the group of Parties not so operating. Each group shall select its Committee members, and shall be endorsed by the Parties.

(UNEP/OzL.Pro/3/11 Annex VI of Decision III/22 (Rule 11).

(UNEP/OzL.Pro/ExCom/3/18/Rev.1 Annex II).

The Chairman and Vice-Chairman of the Executive Committee shall be selected from the fourteen members. The group of Parties entitled to the chairmanship shall select the Chairman from among their members of the Executive Committee. The Vice-Chairman shall be selected by the other group from within their number.

(UNEP/OzL.Pro/2/3 Appendix II of Decision II/8, para. 3).

Members

Pursuant to paragraphs 2 and 3 of the terms of reference of the Executive Committee laid down in Appendix II of Decision II/8, the Meetings of the Parties endorsed annually the selection of seven Parties each by the groups of Parties not operating under paragraph 1 of Article 5 of the Protocol and those Parties operating under paragraph 1 of Article 5 of the Protocol to serve on the Executive Committee. The member Parties to the Montreal Protocol are presented Annex II.1.

The Second Meeting of the Parties pointed out that the selection of nominees had been endorsed on the understanding that, within the three-year mandate of the Executive Committee, members representing either one or the other of the two groups referred to in paragraph 2 of the terms of reference of the Committee could be changed in accordance with the wishes of the group concerned.

“2. The Executive Committee shall consist of seven Parties from the group of Parties operating under paragraph 1 of Article 5 of the Protocol and seven Parties from the group of Parties not so operating. Each group shall select its Executive Committee members. Seven seats allocated to the group of Parties operating under paragraph 1 of Article 5 shall be allocated as follows: two seats to Parties of the African region, two seats to Parties of the region of Asia and the Pacific, two seats to Parties of the region of Latin America and the Caribbean, and one rotating seat among the regions referred, including the region of Eastern Europe and Central Asia. The members of the Executive Committee shall be endorsed by the Meeting of the Parties”;

2. that the issue of seats for Parties operating under paragraph 1 of Article 5 of the Montreal Protocol and Parties not so operating shall be added to the agenda of the twenty-fifth meeting of the Open-ended Working Group.

(UNEP/OzL.Pro.16/17, Decision XVI/38).

FUNCTIONS

The Executive Committee shall undertake the following functions:

(Supporting document: UNEP/OzL.Pro/2/3 Annex IV, Appendix II).

II. EXECUTIVE COMMITTEE

Policies, procedures, guidelines and criteria (as at December 2019)

The Executive Committee nominated Mr. O. El-Arini, for appointment by the Executive Director of UNEP, as Chief Officer of the Interim Multilateral Ozone Fund.

(UNEP/OzL.Pro/ExCom/2/5/Rev.1, para. 20).

The Third Meeting of the Executive Committee decided that in the documentation of the Committee the title of the Fund should be that used in Decision II/8 of the Second Meeting of the Parties, which established the Fund: the Interim Multilateral Fund for the Implementation of the Montreal Protocol (abbreviated title: Multilateral Fund).

(UNEP/OzL.Pro/ExCom/3/18/Rev.1, para. 20).

The Fifteenth Meeting of the Parties decided:

1. to take note with appreciation of the presentation by the Chairman of the Executive Committee of the Multilateral Fund for the Implementation of the Montreal Protocol and of the report of the Executive Committee contained in document UNEP/OzL.Pro.15/8;
2. to consider amending, at the Sixteenth Meeting of the Parties, the relevant provision of the terms of reference of the Executive Committee relating to the nomination and appointment of the Chief Officer, taking into account the proposals of the Chair of the Executive Committee given in the annex to the present decision, and also those made by other Parties;
3. to request the Executive Committee to enter into consultations with the United Nations Secretariat and the Executive Director of the United Nations Environment Programme on that matter and to report thereon to the Sixteenth Meeting of the Parties.

Annex. Add the following understanding on paragraph 10 (k) of the terms of reference of the Executive Committee: “The Executive Committee should prepare a short list of the eligible candidates, together with its recommendation, from which the Secretary-General would make a final selection.”

(UNEP/OzL.Pro.15/9, Decision XV/48).

The Forty-second Meeting of the Executive Committee decided to request the Chair, on behalf of the Executive Committee, to enter into consultations with the Secretary-General of the United Nations, the Executive Director of UNEP, the United Nations Office of Human Resources Management, and the United Nations Office of Legal Affairs, regarding the terms of reference of the Executive Committee and the legal and administrative implications related to this matter, and to report to the Committee at a future meeting.

(UNEP/OzL.Pro/ExCom/42/54, Decision 42/48, para. 152).

The Forty-third Meeting of the Executive Committee decided:

- (a) to take note, with appreciation, of the efforts made by the Chair and to request that the consultations required by Executive Committee decision 42/48 continue; and
- (b) to request the Secretariat to circulate to members of the Executive Committee the draft of the report intended for presentation to the Sixteenth Meeting of the Parties as requested in decision XV/48 of the Fifteenth Meeting of the Parties so as to enable members to submit their comments prior to that Meeting.

(UNEP/OzL.Pro/ExCom/43/61, Decision 43/42, para. 164).

The Fifty-seventh Meeting of the Executive Committee decided to note that the Chair might attend, as an observer, coordination meetings held in the margins of the Executive Committee Meetings. At the last Meeting of the year, if it was felt that the incoming Vice-Chair would benefit from continuity measures, the incumbent Chair could bring the matter to the attention of the Executive Committee.

(UNEP/OzL.Pro/ExCom/57/69, Decision 57/1, para.26(d)).

The Fifty-ninth Meeting of the Executive Committee decided:

- (a) To note:
 - (i) That the Chair might attend coordination meetings held in the margins of Executive Committee Meetings, as an observer; and
 - (ii) That, at the last meeting of the year, if it was felt that the incoming Chair would benefit from continuity measures, the incumbent Chair could bring the matter to the attention of the Executive Committee (decision 57/1(d));
- (b) To request the Secretariat to identify the activities of the incoming Chair and Vice Chair, along with information on possible relevant missions, and to provide that information to the Chair and Vice-Chair to

facilitate the smooth transition of the incoming leadership;

- (c) To encourage the Chair to attend meetings of the Implementation Committee so as to better understand issues related to maintaining compliance, an important part of the Executive Committee's deliberations;
- (d) To encourage Vice-Chairs unfamiliar with the working of the Executive Committee to attend briefings of the Chair;
- (e) To note that the Executive Committee had decided at its 11th Meeting (UNEP/OzL.Pro/ExCom/11/36, paragraph 24) that budget line 3301 of the Secretariat's budget could be used to support travel of the Chair or Vice-Chair of the Executive Committee, irrespective of whether or not they represented countries operating under paragraph 1 of Article 5, if such travel was required to enable the Chair or Vice-Chair to represent the Executive Committee; and
- (f) To note with appreciation that the approved budget had been effectively reduced over the period 2006-2009 and the proposed budget of US \$15,000 for travel associated with Executive Committee-related activities in 2010, as proposed by the Multilateral Fund Secretariat (UNEP/OzL.Pro/ExCom/59/58), would be sufficient.

(UNEP/OzL.Pro/ExCom/59/59, Decision 59/53, para.286).

Requests for policy papers

The Twentieth Meeting of the Executive Committee decided to review, at the end of each Meeting, its requests for policy papers from the Secretariat so that a realistic timeframe could be agreed for their preparation and discussion.

(UNEP/OzL.Pro/ExCom/20/72, Decision 20/14, para. 25).

Transmittal of reports to Article 5 Parties

The Fifth Meeting of the Executive Committee decided to transmit to Article 5 Parties which were not members of the Executive Committee, all its decisions and reports together with all other additional information.

(UNEP/OzL.Pro/ExCom/5/16, para. 30).

Interaction between the Executive Committee and the Implementation Committee

The Fourteenth Meeting of the Parties decided:

1. to request the Executive Committee to therefore make it clear that its funding decisions are always without prejudice to a Party's duty to meet its obligations under the Protocol, and are also without prejudice to the operation of the mechanisms in the Protocol that exist for the treatment of Parties in non-compliance. Accordingly, the Executive Committee should include language to this effect in its funding decisions where non-compliance is potentially at issue;
2. to note that while the Implementation Committee may take into account information from the Executive Committee consistent with paragraph 7(f) of the non-compliance procedure, the Executive Committee has no formal role in the crafting of Implementation Committee recommendations;
3. to further note that in no case should any Implementation Committee action be construed as directly requiring the Executive Committee to take any specific action regarding the funding of any specific project;
4. to note that the Executive Committee and Implementation Committee are independent of each other. However, pursuant to Article 10, the Multilateral Fund operates under the authority of the Parties and, pursuant to the non-compliance procedure of the Montreal Protocol, the Implementation Committee reports its recommendations to the Parties for possible decision.

(UNEP/OzL.Pro.14/9, Decision XIV/37).

At its twenty-sixth meeting the Implementation Committee agreed that in order further to facilitate the exchange of information between the two Committees, the Chair and Vice-Chair of the Executive Committee should be invited to attend the Implementation Committee's meetings. Similarly, the Committee expressed the wish for the President and Vice-President to be invited to attend the Executive Committee's meeting on a reciprocal basis.

(UNEP/OzL.Pro/ImpCom/26/5, paragraph 51).

ASSISTANCE FROM IMPLEMENTING AGENCIES

The Executive Committee shall discharge its tasks and responsibilities specified in its terms of reference as agreed by the Parties, with the co-operation and assistance of the World Bank, UNEP, UNDP, or other

appropriate agencies depending on their respective areas of expertise. (UNIDO became the fourth Implementing Agency in October 1992).

(UNEP/OzL.Pro/2/3 Decision II/8, para. 6).

(UNEP/OzL.Pro/4/15 Decision IV/8 (section I.4)).

Other agencies, in particular regional development banks, shall be invited by the Executive Committee to cooperate with and assist it in carrying out its functions.

(UNEP/OzL.Pro/2/3 Appendix IV of Decision II/8, para. 3d).

(Supporting document: UNEP/OzL.Pro/2/3 Annex IV, Appendix IV).

Employment of Executive Committee members by Implementing Agencies

The Thirty-third Meeting of the Executive Committee decided that, where a member of an Executive Committee delegation was employed by one of the Implementing Agencies to perform ozone layer-related work, that delegation should refrain from speaking on projects related to the work for which the delegate had been hired.

(UNEP/OzL.Pro/ExCom/33/32, Decision 33/53, para. 81).

RULES OF PROCEDURES

The Second Meeting of the Parties endorsed the Rules of Procedures for meetings of the Executive Committee. Unless otherwise provided by the Protocol or by the decision of the Parties, or excluded by these Rules of Procedures, the Rules of Procedures for Meetings of the Montreal Protocol on Substances that Deplete the Ozone Layer shall apply *mutatis mutandis* to the proceedings of any meeting of the Executive Committee (Annex II.2).

(UNEP/OzL.Pro/ExCom/3/18/Rev.1 Annex II).

(UNEP/OzL.Pro/3/11 Decision III/22 (b) and Annex VI).

(Supporting document: UNEP/OzL.Pro/3/11 Annex VI).

Meetings of the Executive Committee in 1997 and future years

The Twentieth Meeting of the Executive Committee decided:

- (a) that three Executive Committee meetings should be held in 1997;
- (b) that the first meeting, to be held from 17 to 19 February 1997, in accordance with decision 20/54, should consider the Implementing Agencies' 1997 business plans and work programmes, and any residual projects from 1996;
- (c) that the second and third meetings could be held close to the dates of the meetings of the Open-ended Working Group of the Parties to the Montreal Protocol and the Meeting of the Parties, respectively, with the precise dates to be determined later in the year, but if the Twenty-second Meeting was held in the same venue as the meeting of the Open-ended Working Group, this would not constitute a precedent and subsequent meetings of the Executive Committee would normally be held in Montreal.

(UNEP/OzL.Pro/ExCom/20/72, Decision 20/10, para. 21).

The Twenty-third Meeting of the Executive Committee decided to adopt the Calendar of Meetings and Work Programme of the Executive Committee for 1998 as presented in Annex II.3 which took into consideration the projection of workload during 1998, the timing of other related important events such as the seventeenth OEWG meeting (6-10 July 1998) and the Tenth Meeting of the Parties (tentatively 17-27 November 1998).

(UNEP/OzL.Pro/ExCom/23/68, Decision 23/56, para. 98).

The Nineteenth Meeting of the Parties decided to amend paragraph 8 of the terms of reference of the Executive Committee of the Multilateral Fund for the Implementation of the Montreal Protocol, as modified by the Ninth Meeting of the Parties in decision IX/16 and the Sixteenth Meeting of the Parties in decision XVI/38, to read: "8. The Executive Committee shall have the flexibility to hold two or three meetings annually, if it so decides, and shall report at each Meeting of the Parties on any decision taken there. The Executive Committee should consider meeting, when appropriate, in conjunction with other Montreal Protocol meetings."

(UNEP/OzL.Pro.19/7, Decision XIX/11).

The Thirty-second Meeting of the Executive Committee decided:

- (b) that the Chair, the Vice-Chair and the Secretariat should give consideration to opportunities to attend regional meetings of environment ministers, avail themselves of such opportunities in the future and prepare a detailed report on their attendance at such meetings, which would be circulated by the Secretariat.

(UNEP/OzL.Pro/ExCom/32/44, Decision 32/1, para. 11(b)).

Organization of Ozone Secretariat and Multilateral Fund meetings

The Thirty-second Meeting of the Executive Committee decided: That when meetings organized by the Ozone Secretariat and the Multilateral Fund secretariat are organized back-to-back, the two secretariats should coordinate arrangements to the greatest extent possible and, where possible and advantageous to the Parties, should seek to negotiate joint agreements with the hosting venue.

The Twelfth Meeting of the Parties decided that when meetings organized by the Ozone Secretariat and the Multilateral Fund Secretariat are organized back-to-back, the two secretariats should coordinate arrangements to the greatest extent possible and, where possible and advantageous to the Parties, should seek to negotiate joint agreements with the hosting venue.

(UNEP/OzL.Pro/12/9, Decision XII/16).

Executive Committee's term of office

Having noted the recommendation of the Sub-Committee that, beginning with the current year, the Executive Committee's term of office should be a calendar year, thus removing the direct linkage with the date of the Meeting of the Parties at which the new composition of the Executive Committee was decided, the Twenty-second Meeting of the Executive Committee decided to request the Chief Officer to contact the Ozone Secretariat with a view to transmitting the recommendation to the Meeting of the Parties.

(UNEP/OzL.Pro/ExCom/22/79/Rev.1, Decision 22/13, para. 28).

The Twenty-second Meeting of the Executive Committee decided:

(a) to recommend to the Meeting of the Parties that the Executive Committee should hold three meetings a year. It should, however, retain the flexibility to take advantage of the opportunity provided by other Montreal Protocol meetings to convene additional meetings where special circumstances made this desirable;

(b) to adopt the calendar of meetings and the work programme attached as Annex II.3 to the present report.

(UNEP/OzL.Pro/ExCom/22/79/Rev.1, Decision 22/14, para. 29).

The Twenty-second Meeting of the Executive Committee decided that the new schedule of meetings should be put into effect as soon as possible and therefore to hold its Twenty-third Meeting in late November or early December 1997 in accordance with the new schedule.

(UNEP/OzL.Pro/ExCom/22/79/Rev.1, Decision 22/15, para. 30).

Observers

The Seventy-seventh meeting decided to request the Secretariat:

(a) To continue informing members, by correspondence, of requests for observer status made by non-governmental organizations (NGOs) as long as the requests had been received at least one week ahead of the meeting of the Executive Committee in question; and

(b) That if no objections were received from members within three working days of receipt of the correspondence, the Secretariat should notify the NGOs that they had been permitted by the Executive Committee to attend the meeting as observers.

(UNEP/OzL.Pro/ExCom/77/76, Decision 77/67, para 234)

(Supporting document: UNEP/OzL.Pro/ExCom/77/Inf.2).

ANNEX II.4: AGREEMENT BETWEEN THE EXECUTIVE COMMITTEE OF THE INTERIM MULTILATERAL FUND FOR THE IMPLEMENTATION OF THE MONTREAL PROTOCOL AND THE UNITED NATIONS DEVELOPMENT PROGRAMME

The Executive Committee and UNDP signed an agreement on 21 August 1991. Under this agreement:

UNDP shall establish a Trust Fund under its financial regulations and rules for the receipt and administration of the contribution;

The Executive Committee shall place at the disposal of UNDP the contribution for agreed activities. To this effect, the Executive Committee shall transfer the agreed amounts for each activity in full, on approval, to the UNDP Contributions Account Number 015-002284, Chemical Bank, New York (all financial accounts and statements shall be expressed in United States dollars);

The Trust Fund shall be utilized by UNDP for the purpose of meeting the costs of the projects as set out in the relevant project documents and work programmes as well as the costs of support services relating thereto as specified in the following paragraph.

The Trust Fund shall be charged with a percentage of all project expenditures made from the Trust Fund which shall, in accordance with UNDP regulations, rules and directives, be utilized by UNDP in reimbursement for support services provided by the selected executing agencies and/or by UNDP itself and would include other support services as required. The amount required for such costs shall be specified in the approved project documents and work programme.

Any interest income derived from contributions to the Trust Fund shall be credited to the Trust Fund in accordance with UNDP procedures.

The Trust Fund shall be administered by UNDP in accordance with UNDP regulations, rules and directives, applying its normal procedures for the execution of its projects. Project management and expenditures shall be governed by the regulations, rules and directives of UNDP and, where applicable, the regulations, rules and directives of the selected executing agency.

The implementation of the responsibilities of UNDP and of the selected executing agencies pursuant to this Agreement and the relevant project documents and/or work programmes will depend on the timely receipt by UNDP of the contribution.

The aggregate of the amounts budgeted for the projects and work programmes, including the estimated costs of reimbursement of related support services, shall not exceed the total resources available under this Agreement.

If unforeseen increases in expenditures or commitments are expected or realized, UNDP shall submit, through the Chief Officer of the Fund Secretariat to the Executive Committee, on a timely basis a supplementary estimate detailing the further financing that will be necessary. The Executive Committee shall use its best efforts to obtain the additional funds required.

If the contribution-payments are not received in accordance with the payment schedule as specified in the work programme, or if the additional financing required in accordance with above paragraph is not forthcoming from the Executive Committee or other sources, the assistance to be provided pursuant to this Agreement may be reduced, suspended or terminated by UNDP. No commitments shall be made by UNDP prior to the receipt of these contributions-payments.

Income not spent in a budget year may be carried forward from one year to the next within the financial validity of this Agreement.

The accounts shall be subject to the internal and external auditing procedures provided in the financial regulations, rules and directives of UNDP.

UNDP reserves the right only to accept a regional or eligible bilateral contribution under the Fund, by a country not operating under paragraph 1 of Article 5, where the provided services can be effectively utilized by the recipient country.

At the specific request of the recipient countries operating under paragraph 1 of Article 5 of the Protocol and when technically justified, eligible in-kind support can be provided in the form of expert personnel, technology, technical documentation and training under projects or programmes implemented by UNDP. Such inputs shall be incorporated in the relevant project documents.

UNDP shall notify the Chief Officer of the Fund Secretariat and the Executive Committee when all activities relating to the purposes for which the Trust Fund was established have been completed.

Notwithstanding the completion of the projects financed from the Trust Fund, UNDP shall continue to hold unutilized contribution-payments until all commitments and liabilities incurred in implementation of the projects have been satisfied and project activities brought to an orderly conclusion.

If the unutilized contribution-payments are insufficient to meet such commitments and liabilities, UNDP shall notify the Chief Officer of the Fund Secretariat and will consult both with the Chief Officer and the Executive Committee on the manner in which such commitments and liabilities may be satisfied.

In the event of termination of this Agreement, UNDP shall continue to hold unutilized contribution-payments until all commitments and liabilities incurred in implementation of the projects and programmes have been satisfied and project and programme activities brought to an orderly conclusion.

Any contribution-payments that remain unexpended after such commitments and liabilities have been satisfied shall be transferred to the Executive Committee through the Chief Officer of the Fund Secretariat.

(UNEP/OzL.Pro/ExCom/5/Inf.3, Section A: Financial Procedures).

As specified by the Parties and on the invitation of the Executive Committee, UNDP shall consult regularly with the other Implementing Agencies and, in particular, with the World Bank and UNEP to facilitate programme coordination and prevent duplication of activities.

UNDP, jointly with the Fund Secretariat and other Implementing Agencies, shall co-operate with the Parties to provide information on funding available for relevant projects, to secure the necessary contacts and to coordinate, when requested by the interested Party, projects financed from other sources with activities financed under the Protocol.

The financing of activities or other costs, including resources channeled to third party beneficiaries, shall require the concurrence of the recipient Government concerned. The recipient Government shall be fully associated with the planning of the projects and programmes.

The annual UNDP work programme under this Agreement, including proposed budgets, will be submitted through the Chief Officer of the Fund Secretariat to the Executive Committee for approval.

In the design and selection of projects, UNDP will follow the Executive Committee's criteria for project eligibility and its guidelines for the implementation of activities supported by the Multilateral Fund.

The Executive Committee will consider and, where appropriate, approve country programmes for compliance with the Protocol and, in the context of those country programmes, assess and, where applicable, approve those project proposals or group of project proposals formulated by UNDP independently or by UNDP in co-operation with other Implementing Agencies where the agreed incremental costs exceed US \$500,000.

The Executive Committee will review any disagreement by a Party operating under paragraph 1 of Article 5 with any decision taken with regard to a request for financing by that Party of a project or projects where the agreed incremental costs are less than US \$500,000 and where UNDP is involved in whole or in part as an Implementing Agency.

(UNEP/OzL.Pro/ExCom/5/Inf.3, Section B: Operational Procedures).

Ownership of equipment, supplies and other property financed from the contribution shall vest in UNDP for the duration of the specific project or programme activity, after which the ownership shall be transferred to the appropriate institution or agency in the recipient country in accordance with the relevant policies and procedures of UNDP, taking into account recommendations that may be received from the Chief Officer of the Fund Secretariat.

(UNEP/OzL.Pro/ExCom/5/Inf.3, Section C: Ownership and Disposal of Property).

The Executive Committee and UNEP signed an agreement on 19 June 1991. Under this agreement:

UNEP agrees to co-operate with the Executive Committee and eligible Parties in the areas detailed under its scope of co-operation, and for this purpose a work programme and budget will be presented annually by UNEP to the Executive Committee for its approval. The work programme and budget shall be made available in sufficient time prior to the meeting of the Executive Committee at which the work programme is to be considered. The work programmes shall identify the nature of the activity for which financing is requested, its timing and duration, cost details, participants, and expected outcome of the activity. The work programme shall be accompanied by a budget for proposed activities. In preparing its work programme, UNEP shall take into consideration requests by Parties operating under paragraph 1 of Article 5 of the Protocol for assistance in implementing their proposed programme of activities under the Protocol. Funds for these support activities shall be included in the annual work programme.

In developing its work programme, UNEP shall consult with the World Bank and the UNDP before making proposals to the Executive Committee on matters of interest to them and will pay due regard to their views. UNEP shall keep the other Implementing Agencies continuously and adequately informed in a timely manner of its activities covered by these arrangements as they affect the other Agencies.

UNEP shall co-operate with the Secretariat of the Fund to provide Parties with information on funding available for relevant projects, to secure the necessary contacts, and to coordinate, when requested by the interested Party, projects financed from other sources with activities financed under the Protocol.

In discharging its responsibilities, UNEP will use, as appropriate, its Headquarters Secretariat, its Regional Offices, its Specialized Offices, especially its Industry and Environment Office.

(UNEP/OzL.Pro/ExCom/5/Inf.4, Section A: Financial Procedures).

Such inputs shall be incorporated in the relevant project documents.

Any interest income derived from contributions to the trust fund shall be credited to the fund in accordance with UNEP procedures.

The Trust Fund shall be charged with a percentage of all project expenditures made from the Trust Fund, which amount shall, in accordance with UNEP regulations, rules and directives, be utilized by UNEP in reimbursement for support services provided by any selected Implementing Agencies other than UNEP and/or by UNEP itself. The amount required for such costs shall be specified in the approved project documents and work programmes.

The accounts of the resources transferred to UNEP shall be subject to the internal and external audit procedures applicable to the United Nations.

UNEP will present to the Executive Committee, with the six monthly and financial reports any requests for meeting unforeseen increases in costs of the implementation of the approved activities.

UNEP shall not be required to start any activity supported by the Fund before the transfer of resources.

If unforeseen increases in expenditures or commitments are expected or realized, UNEP shall submit through the Chief Officer of the Fund Secretariat to the Executive Committee on a timely basis a supplementary estimate detailing the further financing that will be necessary. The Executive Committee shall use its best efforts to obtain the additional funds required.

UNEP may agree to co-financing arrangements, on terms determined consistently with the financial provisions in this agreement, in cases in which such financing is to be provided for purposes of the Protocol.

UNEP shall continue to hold all unutilized contribution payments until all commitments and liabilities incurred in the implementation of the projects have been satisfied and project activities brought to an orderly conclusion. Upon completion of its activities and fulfillment of its obligations, UNEP shall return all unused resources to the Fund unless otherwise agreed.

(UNEP/OzL.Pro/ExCom/5/Inf.4, Section B: Operational Procedures).

Ownership of equipment, supplies and other property financed from the contribution shall vest in UNEP for the duration of the specific project or programme activity. Following the completion of the above specified project or programme activity, ownership shall be transferred to the appropriate institution or agency in the recipient country in accordance with the relevant policies and procedures of UNEP, taking into account recommendations that may be received from the Chief Officer of the Fund Secretariat.

(UNEP/OzL.Pro/ExCom/5/Inf.4, Section C: Ownership and Disposal of Property).

The Executive Director of UNEP, or his representative, shall be invited to participate in meetings of the Executive Committee to report and consult on UNEP's activities under these arrangements.

- (a) semi-annual progress reports on substantive project activities;
- (b) an annual report on implementation of activities of prior approved work programmes and activities related to country programmes;
- (c) an annual report of the status of UNEP activities related to country programmes;
- (d) an annual report on income and expenditures for the previous years; and
- (e) a revision of the current year's budget where necessary and the following year's budget and workplan.

UNEP shall contribute to the annual report to be prepared by the Fund Secretariat on the interagency work programme and coordination of activities.

The Executive Committee will review periodically performance reports on UNEP's implementation of activities supported by the Fund and will monitor and evaluate expenditures incurred. The Executive Committee will transmit its findings to UNEP for comment and follow-up.

(UNEP/OzL.Pro/ExCom/5/Inf.4, Section E: Reports).

UNEP and the Executive Committee agree to be bound by any arbitration award rendered in accordance with this section as the final adjudication of any dispute,

(UNEP/OzL.Pro/ExCom/5/Inf.4, Section F: Settlement of Disputes).

Nothing in or relating to any provision in the Arrangement shall be deemed a waiver, expressed or implied, of the privileges and immunities of the United Nations, including UNEP.

(UNEP/OzL.Pro/ExCom/5/Inf.4, Section G: General Provision).

The present arrangements may be amended by agreement in writing between the Executive Committee and UNEP.

ANNEX II.6: AGREEMENT BETWEEN THE EXECUTIVE COMMITTEE OF THE INTERIM MULTILATERAL FUND FOR THE IMPLEMENTATION OF THE MONTREAL PROTOCOL AND THE UNITED NATIONS INDUSTRIAL DEVELOPMENT ORGANIZATION

The Executive Committee and UNIDO signed an agreement on 22 October 1992. Under this agreement:

UNIDO shall establish a Special Account in accordance with its financial regulations and rules and administrative instructions or directives for the receipt and administration of the afore-said contribution, including interest accruing. Accordingly, personnel shall be engaged and administered; equipment, supplies and services purchased; and contracts entered into in accordance with such regulations, rules and directives.

The Executive Committee shall place at the disposal of UNIDO the contributions to a Special Account for agreed activities. To this effect, the Executive Committee shall transfer the agreed amounts in fully convertible currencies for each activity in full, on approval, to the UNIDO/OPF Dollar Account Number 0422-01004/00, Creditanstalt Bankverein, Vienna International Centre, A-1400 Vienna, Austria.

All financial accounts and statements shall be expressed in United States dollars, and there shall be no accounting or reporting in other currencies. For the purpose of recording receipts and/or payments, all transactions shall be converted into United States dollars at the official United Nations rate of exchange applicable on the date of receipt and/or payment.

The contributions shall be utilized by UNIDO for the purpose of meeting the costs of the projects as set out in the relevant project documents and work programmes as well as the costs of support services relating thereto as specified in paragraph below.

The Special Account shall be charged with a percentage of all project expenditures made from the Special Account which shall, in accordance with UNIDO regulations, rules and directives, be utilized by UNIDO and would include other support services as required. The amounts required, as well as agency support costs, shall be specified in the approved project documents and work programmes.

Any interest income derived from contributions to the Special Account shall be credited to the Special Account in accordance with the financial regulations, rules and directives of UNIDO.

The Special Account shall be administered by UNIDO in accordance with UNIDO regulations, rules and directives, applying its standard procedures for the execution of its projects. Project management and expenditures shall be governed by the regulations, rules and directives of UNIDO.

The implementation of the responsibilities of UNIDO pursuant to this Agreement and the relevant project documents and/or work programmes will depend on the timely receipt by UNIDO of the contribution. The Executive Committee undertakes to meet the actual costs of the services approved by UNIDO in accordance with this Agreement and the work programme. UNIDO shall commence and continue to implement projects only on receipt of a sufficient contribution.

The aggregate of the amounts budgeted for the projects and work programmes shall not exceed the total resources available under this Agreement.

If UNIDO considers that changes between the components and/or budget lines in the projects or work programme are necessary in order to meet the objectives of the project concerned, UNIDO may effect such changes, provided the total amount of the project budget in the projects or work programme is not exceeded.

If the contribution-payments are not received in accordance with the payment schedule as specified in the work programme, or if the additional financing required is not forthcoming from the Executive Committee or other sources, the assistance to be provided pursuant to this Agreement may be reduced, suspended or terminated by UNIDO. No commitments shall be made by UNIDO prior to the receipt of these contribution-payments.

Income not spent in a budget year may be carried forward from one year to the next within the financial validity of this Agreement.

The accounts shall be subject exclusively to the internal and external auditing procedures provided in the financial regulations, rules and directives of UNIDO.

UNIDO reserves the right only to accept a regional or eligible bilateral contribution under the Fund, by a country not operating under paragraph 1 of Article 5, where the provided services can be effectively utilized by the recipient country.

At the specific request of the recipient countries operating under paragraph 1 of Article 5 of the Protocol, and when technically justified, eligible in-kind support can be provided in the form of expert personnel, technology, technical documentation and training under projects or programmes implemented by UNIDO. Such inputs shall be incorporated in the relevant project documents.

UNIDO shall notify the Chief Officer of the Fund Secretariat and the Executive Committee when all activities relating to the purposes for which the Special Account was established have been completed.

Notwithstanding the completion of the projects financed from the Special Account, UNIDO shall continue to hold unutilized contribution-payments until all commitments and liabilities incurred in implementation of the projects have been satisfied and project activities brought to an orderly conclusion.

If the unutilized contribution-payments are insufficient to meet such commitments and liabilities, UNIDO shall notify the Chief Officer of the Fund Secretariat and will consult both with the Chief Officer and the Executive Committee on the manner in which such commitments and liabilities may be satisfied.

UNIDO shall notify the Executive Committee when the purposes for which the contributions were provided have been realized and the approved projects have been operationally completed.

In the event of termination of this Agreement, UNIDO shall continue to hold unutilized contribution-payments until all commitments and liabilities incurred in implementation of the projects and programmes have been satisfied and project and programme activities brought to an orderly conclusion.

Any contribution-payments that remain unexpended after such commitments and liabilities have been satisfied shall be transferred to the Executive Committee through the Chief Officer of the Fund Secretariat. Thereafter UNIDO's responsibilities under this Agreement shall be considered terminated.

(UNEP/OzL.Pro/ExCom/8/29 Annex IV, Section A: Financial Provisions).

As specified by the Parties and on the invitation of the Executive Committee, UNIDO shall consult regularly with the other Implementing Agencies and, in particular, with UNDP, the World Bank and UNEP to facilitate programme coordination and prevent duplication of activities.

UNIDO as requested by the Executive Committee, in the context of projects developed to facilitate compliance with the Protocol will co-operate with and assist the Parties within its respective areas of expertise.

UNIDO, jointly with the Fund Secretariat and other Implementing Agencies, shall co-operate with the Parties to provide information on funding available for relevant projects, to secure the necessary contacts and to coordinate, when requested by the interested Party, projects financed from other sources with activities financed under the Protocol.

The financing of activities or other costs, including resources channeled to third party beneficiaries, shall require the concurrence of the recipient Government concerned. The recipient Government shall be fully associated with the planning of the projects and programmes.

The annual UNIDO work programme under this Agreement, including proposed budgets, will be submitted through the Chief Officer of the Fund Secretariat to the Executive Committee for approval. Upon approval of the work programme by the Executive Committee, UNIDO shall implement projects in accordance with the work programme and, as appropriate, in accordance with the legal arrangements to be concluded between UNIDO and the recipient governments.

In the design and selection of projects UNIDO will follow the Executive Committee's criteria for project eligibility and its guidelines for the implementation of activities supported by the Fund.

The Executive Committee will assess and, where applicable, approve those project proposals or group of project proposals formulated by UNIDO independently or by UNIDO in co-operation with other Implementing Agencies, and, where the agreed incremental costs exceed US \$500,000.

The Executive Committee will review any disagreement by a Party operating under paragraph 1 of Article 5 with any decision taken with regard to a request for financing of a project or projects where the agreed incremental costs are less than US \$500,000 and where UNIDO is involved in whole or in part as an Implementing Agency.

(UNEP/OzL.Pro/ExCom/8/29 Annex IV, Section B: Operational Procedures).

Ownership of equipment, supplies and other property financed from the contribution shall vest in UNIDO for the duration of the specific project or programme activity. Following operational completion of the project, the ownership shall be transferred to the appropriate institution or agency in the recipient country in accordance with

the relevant policies and procedures of UNIDO, taking into account recommendations that may be received from the Chief Officer of the Fund Secretariat.

(UNEP/OzL.Pro/ExCom/8/29 Annex IV, Section C: Ownership and Disposal of Property).

The Director-General of UNIDO, or his designated representative, will participate as appropriate in meetings of the Executive Committee to report and consult on UNIDO's activities under these arrangements.

(UNEP/OzL.Pro/ExCom/8/29 Annex IV, Section D: Participation at Meetings).

- (d) a revision of the current year's budget, where necessary, and the following year's project budgets and work plans;
- (e) a final report including assessment of the results achieved, upon operational completion of the projects; and
- (f) a final financial report on the implementation of the completed projects, within six months of the end of the year in which the final disbursement was made on account of the projects.

UNIDO shall contribute to an annual report to be prepared by the Fund Secretariat on the inter-agency work programme and coordination of activities.

The Executive Committee will review periodically performance reports on UNIDO's implementation of activities supported by the Fund and will monitor and evaluate expenditures incurred. The Executive Committee will transmit its findings to UNIDO for comment and follow-up.

(UNEP/OzL.Pro/ExCom/8/29 Annex IV, Section E: Reports).

Any dispute, controversy or claims between the Parties to this agreement, arising out of, or in connection with, this Agreement or any breach thereof shall, unless it is settled by direct negotiation, be settled by arbitration in accordance with the UNCITRAL Arbitration Rules as at present in force. The Executive Committee and UNIDO agree to be bound by any arbitration award rendered in accordance with this section as the final adjudication of any dispute.

(UNEP/OzL.Pro/ExCom/8/29 Annex IV, Section F: Settlement of Disputes).

ANNEX II.7: AGREEMENT BETWEEN THE EXECUTIVE COMMITTEE OF THE INTERIM MULTILATERAL FUND FOR THE IMPLEMENTATION OF THE MONTREAL PROTOCOL AND THE INTERNATIONAL BANK FOR RECONSTRUCTION AND DEVELOPMENT (WORLD BANK).

The Executive Committee and the World Bank signed an agreement on 9 July 1991. Under this agreement:

The World Bank will co-operate with the Executive Committee and assist it in accordance with these arrangements in administering and managing the programme under the authority of the Parties to finance the agreed incremental costs of Parties operating under paragraph 1 of Article 5 of the Protocol. In performing its functions under these arrangements, the World Bank will act through the Ozone Projects Trust Fund (OTF) and will apply only those considerations relevant to effective and economically efficient programmes and projects which are consistent with criteria adopted by the Parties and guidelines adopted by the Executive Committee.

(UNEP/OzL.Pro/ExCom/5/Inf.2, Section A: Scope of Co-operation).

The World Bank will prepare a work programme in co-operation with recipient countries, UNEP and UNDP, for its activities under these arrangements, including a budget, for approval by the Executive Committee on an annual basis. The work programme as approved by the Executive Committee will be consistent with the relevant decisions of the parties and guidelines adopted by the Executive Committee regarding project eligibility and the implementation of activities supported by the Fund.

The World Bank will co-operate with the Parties, UNEP, UNDP, and the Executive Committee through the Secretariat of the Fund, to provide information on funding available for relevant projects, to secure the necessary contacts, and to coordinate, when requested by the interested Party, projects financed from other sources with activities financed under the Protocol.

The World Bank will co-operate with the Parties operating under paragraph 1 of Article 5 of the Protocol and assist them, as requested by them and in accordance with the approved work programme referred to in paragraph 2, in developing each Party's country programme (CP) as envisaged in the Terms of Reference of the Fund, as well as projects to facilitate compliance with the Protocol.

The World Bank will review each CP in respect of which it will perform its functions under these arrangements, and submit its views to the Executive Committee. Upon approval of the CP by the Executive Committee, the World Bank will assist the party to implement the projects contained in it. The World Bank will do so by following its rules and procedures and in accordance with the approved work programmes in co-operation with UNEP and UNDP. The World Bank may approve a request for financing by the Party of a project or projects pursuant to the approved CP if the agreed incremental costs are less than US \$500,000. Additional financing from the Fund for unforeseen increases in expenditure for any project will be subject to approval by the World Bank, except that if the additional financing would cause the total expenditures for the project to exceed US \$500,000, the financing will be subject to approval by the Executive Committee as adjustment to the current, or part of the next, work programme. For projects where the agreed incremental cost exceeds US \$500,000 financing by the World Bank is subject to the approval of the Executive Committee as part of a CP.

Any disagreement by a Party operating under paragraph 1 of Article 5 with any decisions taken with regard to a request for financing by that Party of a project or projects where the agreed incremental costs are less than US \$500,000 may, at the request of the Party, be referred to the Executive Committee for review.

Pending the preparation of country programmes, the procedures in above two-paragraphs will apply also as appropriate to projects consistent with the ozone layer protection policies of Parties operating under paragraph 1 of Article 5 of the Protocol, which the Executive Committee finds in compliance with the control measures of the Protocol.

(UNEP/OzL.Pro/ExCom/5/Inf.2, Section B: Operational Procedures).

The Bank will hold and administer funds provided to the Bank pursuant to this agreement in trust, together with any other assets and receipts of the OTF, for the benefit of the Parties in accordance with the decision by the World Bank to provide for the establishment of the OTF and these arrangements.

The Executive Committee will arrange for the transfer of funds contributed by the Parties and allocated by the Executive Committee to the OTF for expenses incurred or to be incurred by the World Bank for the activities it undertakes pursuant to these arrangements and for the implementation of approved country programmes and projects, as soon as the funds become available. The transfer will be made in cash in United States dollars or at the request of the Executive Committee by the deposit of notes or similar obligations denominated in United States dollars and issued by the government of a Party or the depository designed by such Party, which shall be

non-negotiable, non-interest bearing and payable in United States dollars at their par value on demand to the OTF or in accordance with a schedule of encashment agreed by the World Bank, provided that in exceptional cases and as administratively feasible on the basis of appropriate arrangements, as determined by the World Bank, contributions may be made also in other currencies.

Funds held in the OTF will be invested pending disbursement in accordance with the regular practice of the Bank, and the income of investment will be added to the resources of the OTF.

The World Bank will be reimbursed annually in full for the expenses incurred by it for the activities it undertakes pursuant to these arrangements. The reimbursement will be made on the basis of estimated costs, subject to adjustment as of the end of the Bank's financial year, and will be charged against the resources of the OTF.

The World Bank will present to the Executive Committee detailed annual financial statements expressed in United States dollars, externally audited, as part of its annual report.

The World Bank will make no commitments for financing under these arrangements in advance of the receipt of financing in the OTF to finance the commitments.

The Executive Committee will notify the World Bank through the Secretariat if a shortfall in resources for the approved work programme is anticipated or if the work programme needs to be adjusted for this reason.

The World Bank may agree to co-financing arrangements with Parties and others for the purpose of these arrangements.

The World Bank will provide financing from the OTF in the form of grants denominated in United States dollars.

The World Bank will continue to hold all unutilized resources in the OTF until all commitments and liabilities under these arrangements have been satisfied, project activities have been brought to an orderly conclusion and reimbursement under paragraph 11 has been made, after which any remaining resources will be transferred as the Executive Committee may determine. If the unutilized resources prove insufficient to meet such commitments, liabilities and reimbursement, the World Bank will consult with the Executive Committee on the manner in which such commitments, liabilities and reimbursement may be satisfied.

(UNEP/OzL.Pro/ExCom/5/Inf.2, Section C: Financial Provisions).

The President of the World Bank, or his representative, will participate in meetings of the Executive Committee in order to report and consult on the World Bank's activities under these arrangements.

(UNEP/OzL.Pro/ExCom/5/Inf.2, Section D: Participation in Meetings).

The World Bank will provide to the Executive Committee through the Secretariat semi-annual progress reports and an annual report on implementation by the World Bank of previously approved work programmes and activities related to country programmes and projects, including coordination with UNEP and UNDP under these arrangements. The financial statements will be attached to the annual report.

The reports will include proposals if necessary to revise the current year's budget; provide for the work programme, including a budget, for the following year, and describe any disagreement by a Party operating under paragraph 1 of Article 5 of the Protocol with any decision taken by the World Bank with regard to a request for financing by that Party of a project or projects where the agreed incremental costs are less than US \$500,000. After the OTF shall have been fully used, the World Bank will present a final report on the operations financed under these arrangements.

(UNEP/OzL.Pro/ExCom/5/Inf.2, Section E: Reporting by the World Bank).

These arrangements may be amended by agreement of the Executive Committee and the World Bank in writing at any time.

(UNEP/OzL.Pro/ExCom/5/Inf.2, Section F: Amendment).

The Sub-Committee shall consist of three Executive Committee members from Parties operating under paragraph 1 of Article 5 of the Montreal Protocol and three Executive Committee members from Parties not so operating. The Chairman of the Sub-Committee will be determined by the membership and will alternate among members between Article 5 and non-Article 5 Parties from one Meeting of the Parties to the next.

The Secretariat will assist the Sub-Committee in its work and participate in Sub-Committee meetings. Implementing agencies are required to participate. The Sub-Committee may invite representatives of the established Technical Advisory Group and the Group on Production of Substitutes or other experts to participate in the meetings.

The Sub-Committee will be a Standing Committee. It will be appointed for a period coinciding with the terms of the office of the Chairman and Vice-Chairman of the Executive Committee.

The Sub-Committee will convene its meetings as determined by the Executive Committee.

ANNEX II.11: TERMS OF REFERENCE FOR THE EXPERT GROUP ON THE PRODUCTION OF SUBSTITUTES FOR OZONE-DEPLETING SUBSTANCES

Title and Status: The title of this group is Expert Group on the Production of Substitutes for Ozone- Depleting Substances.

The Group would have an advisory status with the Executive Committee. It may attend the Meetings of the Executive Committee or a future production sector sub-committee if so requested by the Committee.

This Expert Group would:

- (a) advise on operational policies and guidelines on various technical and economic issues associated with the production of substitutes for ozone-depleting substances (ODS). In formulating such advice, consideration should be given to non-global warming alternatives, wherever possible.
- (b) draft the terms of reference for an audit of the ODS producing industries in each of the ODS producing Article 5 countries.

The purpose of such an audit is to examine:

- the structure and status of the existing plants;
- the current technologies applied;
- the likely conversion paths, taking into consideration the countries' strategies for phasing out ODS, the industrial policy of the country, the economies of scale and the market development; and
- estimate at national level a minimum the country should receive as incremental capital and operating costs to convert/close all of its existing ODS producing industries.

The end product from this audit will serve as the framework against which the Executive Committee will review production sector projects from that country.

- (c) advise on any other issues in the production sector as may be requested by the Executive Committee.

The composition of the Group would be as follows:

- (a) fields of expertise required:

- chemical engineering, with emphasis on process engineering in fluorochemical industry and not-in-kind substitutes such as high purity hydrocarbons and ammonia;
- technology transfer with background in fluorocarbon and chlorofluorocarbon production; and
- knowledge in ODS and substitute production and marketing.

- (b) principles in selecting membership

Bearing in mind that this is an Expert Group established for a very specialized subject, the following principles are proposed to be followed in selecting the membership:

- members of the Group serve on the Group in their own capacity and not as representatives of the organizations they belong to;
- technical and professional expertise;
- balance between Article 5 and non-Article 5 countries with due regard for geographical representation; and
- independence of the individuals.

For effective conduct of business, it is proposed to limit the size of the Expert Group to ten members.

The Group will work closely with the Fund Secretariat. The Chief Officer will be the contact point between the Group and the Executive Committee, and is responsible for providing Secretariat assistance to the Group in conducting its business. Meetings of the Group will be attended by representatives of the relevant Implementing Agencies that are likely to be involved in production sector projects.

The proceedings and the report of the meetings of the Expert Group remain confidential until they are cleared by the Group and presented to the Executive Committee.

The preliminary list of issues to be reviewed by the expert group includes:

Types of anticipated projects

1. conversion or partial conversion of existing CFC-11/12 manufacturing facilities to produce substitutes: e.g. HFCs (HFC-134a, HFC-152a), hydrocarbons (cyclopentane, iso-butane, etc.) ammonia, HCFCs.
2. shut down of equivalent ODS production capacities.

3. production of halon substitutes (e.g. ABC powder, CO₂, nitrogen).
4. shut down of equivalent halon production facilities.
5. establishing production facilities for the processing, production, storage or distribution of nonfluorocarbons, e.g. high purity hydrocarbons and ammonia.
6. enforced idleness of ODS plants.

Policy issues that are likely to be encountered

Technology transfer

- (a) availability of technologies to Article 5 countries;
- (b) terms and conditions of technology transfer from non-Article 5 country suppliers
 - patents, know-how (cost).
 - transfer to one enterprise, group of enterprises, or to the country
 - modalities of license payment, lump-sum, royalties, etc.
- (c) development of indigenous technology
 - feasibility
 - scope of support from the fund
 - timing
 - intellectual property rights
 - cost-effectiveness.

Incremental costs

- conversion and establishment of new production facilities
- what would be the baseline scenario?
- what would be the capital costs?
- what would be the operating costs?
- duration
- savings and benefits
- future revenues (and future price and sales estimate).
- designed or utilized capacities, growth projection.

Double-counting

- linkage with consumer sector in the country
- export potential to Article 5 vs. non-Article 5 countries
- certain costs which could be incurred in the shut-down of the old plant can be balanced at the stage when the new plant is constructed (e.g. unemployment insurance and foregone profits).
- project lifetime to be used as the basis for calculation.
- production vs. imports (cost-effectiveness, tariffs).
- preferential exports from Article 5 countries vs. savings to the Multilateral Fund.
- economies of scale: size of plants and project specific vs sector phase-out plans.

Shut down of ODS production facilities

- remaining useful life
- computation of profit foregone
- social benefits
- production capacity vs actual production and replacement of specific chemicals

Modernization and expansion of production

- How to measure direct (increased output) and indirect benefits (environmental, socio-environmental)?

Choice of technology

Possibility of developing cost norms on the basis of type of technology employed.

Other issues:

1. eligibility of funding raw material and feedstock production
 - shut down of CTC plants
 - new chlorinated solvents production facilities

- production of raw material vs. import (cost-effectiveness, safety concerns).
- 2. eligibility of funding production of chemicals and materials indirectly involved in ODS phase-out (optional).
 - polyols for foam-blowing, polyalkylene glycol and polyester lubricants
 - production vs. import
