EXECUTIVE COMMITTEE OF  
THE MULTILATERAL FUND FOR THE  
IMPLEMENTATION OF THE MONTREAL PROTOCOL  
Thirty-second Meeting  
Ouagadougou, 6-8 December 2000

**Corrigendum & Addendum**

**REPORT ON THE IMPLEMENTATION OF THE MONITORING AND EVALUATION  
WORK PROGRAMME FOR THE YEAR 2000**

1. A significant number of project completion reports were received between 1-24 November improving the record of the Implementing Agencies, in particular UNDP, compared to the delivery schedule agreed at the 29<sup>th</sup> Meeting of the Executive Committee:

**PCRs RECEIVED FROM 1-24 NOVEMBER 2000**

<b>Agency</b>	<b>Investment Projects</b>	<b>Non-Investment Projects</b>	<b>Total</b>
UNDP	24	12**	36
UNIDO*	2	-	2
World Bank	2	2	4
<b>Total</b>	<b>28</b>	<b>14</b>	<b>42</b>

\*Two projects completed in 2000.

\*\*In addition, UNDP submitted 2 PCRs for Country Programmes that are no longer requested and are not counted here.

2. Project completion reports for Methyl bromide demonstration projects would not need to be provided in view of the extensive reporting on the results of demonstration activities. Numbers of PCRs due by UNIDO and UNDP diminish accordingly by two and one respectively.

3. Please note the following revisions for Annex III:

- (a) The title in the header of Annex III should read: Format for Project Completion Report (instead of Project Evaluation Report);
- (b) Point 1.14 should read: Completion Report done/seen by (instead of Discussions held with);
- (c) A number of editorial changes were done in the process of preparing the project completion report format for its use as a database file.
