  1. The Fund Secretariat, having taken into consideration the commitment by the Government of Paraguay that through the RMP project the country will be able to achieve the 50 per cent reduction of the CFC baseline by 2005 and 85 per cent reduction by 2007 without further assistance from the Multilateral Fund (except for additional activities that have already been identified in the RMP but will be submitted to a later meeting of the Executive Committee), recommends blanket approval of the following projects at the funding level indicated below:
