EXECUTIVE COMMITTEE OF  
THE MULTILATERAL FUND FOR THE  
IMPLEMENTATION OF THE MONTREAL PROTOCOL  
Thirty-eighth Meeting  
Rome, 20-22 November 2002

**SECRETARIAT ACTIVITIES**

*“The Secretariat of the Multilateral Fund wishes to acknowledge with gratitude the generous hospitality of the Government of Italy in contributing EUR 354,731 towards hosting the Thirty-eighth Meeting of the Executive Committee in Rome”.*

1. This document provides a summary of the activities undertaken by the Fund Secretariat since the 37<sup>th</sup> Meeting of the Executive Committee.

### **Notification of the Decisions of the 37<sup>th</sup> Meeting of the Executive Committee**

2. The report of the 37<sup>th</sup> Meeting, containing all the decisions of the Executive Committee, was distributed to all the Parties to the Montreal Protocol attending the 22<sup>nd</sup> Meeting of the Open-Ended Working Group that was held immediately after the meeting of the Executive Committee.

3. Decisions related to project approvals were sent to the relevant Article 5 countries, bilateral, and implementing agencies.

4. Decisions inviting comments on specific issues and draft papers prepared by the Secretariat were communicated, as directed by the Executive Committee, to members of the Committee, and the bilateral and implementing agencies, as pertinent.

5. Decisions requesting certain action by the Secretariat and/or implementing agencies were addressed or communicated as directed by the Committee.

6. Resources covering all funding requests approved at the 37<sup>th</sup> meeting were transferred to the implementing agencies; approved bilateral activities were credited to the contributions of the relevant non-Article 5 Parties.

### **Submissions to the 38<sup>th</sup> Meeting**

7. The Secretariat reviewed, commented on and prepared the required briefs on the following documents submitted by the bilateral and implementing agencies:

- (a) 2002 Work Programme Amendments of UNDP, UNEP, UNIDO and World Bank
- (b) 2003 Work Programme of UNEP
- (c) 139 investment and non-investment projects and activities totalling about US \$430.6 million;
- (d) Country programmes of Albania, Angola, Haiti and Jordan's country programme update.

8. The Secretariat has undertaken the following tasks:

#### Review of projects

9. The Secretariat reviewed 139 projects and activities, including sector and national phase-out plans to phase out a total of 19,707 ODP tonnes of controlled substances with associated value of US \$430.6 million. The level of funding requested for consideration by the Executive

Committee at its 38th Meeting amounts to US \$183 million. In addition, three country programmes and one country programme update were also submitted.

#### Funding of technology that is not in the public domain

10. Decision 37/62 requested the Secretariat to report to the 40<sup>th</sup> Meeting of the Executive Committee the draft guidelines on funding of technology that is not in the public domain after receipt of comments from members of the Committee and the World Intellectual Property Organization (WIPO). The Decision also requested the Secretariat to seek advice of the Technology and Economic Assessment Panel on their experience in this regard. The Secretariat has accelerated the process and finalized the document earlier for submission to the 38<sup>th</sup> Meeting.

#### Implementation of the Framework for the Strategic Planning of the Fund

11. The Secretariat convened a meeting early in September with the Implementing Agencies to discuss modalities and coordinate efforts for the preparation of the 3-year phase-out plan of the Multilateral Fund and the readjustment of the current regime of agency support costs and agency shares.

12. The Secretariat revised the draft guidelines for performance-based sector and national phase out plans in consultation with the Article 5 countries, following a two-step process as described in Decision 37/67. The revision is submitted to the 38th Meeting.

#### Production Sector

13. The Secretariat completed the bidding for the contract to conduct technical audits of the CTC/TCA production in China and CTC production in India. The selected firm was cleared by the Contract Committee of UNON. The contract for the Indian audit was awarded after India had submitted its data on the breakdown of CTC production between feedstock and other uses. The contract for China is pending since China has not submitted such data.

14. The Secretariat reviewed the CFC production closure project from Argentina and provided a briefing on the submission for the benefit of the Sub-group on the Production Sector. The final report on the technical audit of the CFC production sector in Mexico was also submitted to the Sub-group.

15. The Secretariat reviewed the 2003 Annual Work Programme of the China CFC production closure programme as well as the audit report of the halon production/consumption annual programme for China.

### Monitoring and Evaluation

16. An evaluation team consisting of the Secretariat's Senior Monitoring and Evaluation Officer as well as a Senior Project Management Officer and two consultants went to India to evaluate on an evaluation mission of MAC and halon projects in India. Discussions by the team were also held in the Ministry of the Environment and Forests, companies and the Implementing Agencies (1-6 September 2002).

17. The Senior Monitoring and Evaluation Officer consolidated project completion reports submitted by bilaterals and implementing agencies, finalized the evaluation report on the aerosol sector, as well as the evaluation of MAC projects in India.

18. The draft monitoring and evaluation work programme for the year 2003 was prepared and submitted to the 38th Meeting of the Executive Committee

### Meeting of the Parties to the Montreal Protocol

19. The terms of reference of the Executive Committee (UNEP/OzL.Pro.9/12, Annex V) require the Executive Committee to report annually to the Meeting of the Parties. The Secretariat has prepared a report summarizing the decisions of the 35<sup>th</sup>, 36<sup>th</sup> and 37<sup>th</sup> Meeting of the Executive Committee which were held since the Thirteenth Meeting of the Parties. The report will be up-dated immediately after the 38<sup>th</sup> meeting and will be distributed to the Parties at their 14<sup>th</sup> Meeting.

### Fixed-exchange Rate Mechanism

20. The Secretariat continued its close consultation with the Treasurer and the Consultant who prepared the study on the Fixed-Exchange Rate Mechanism with the view of finalizing it for submission to the 14<sup>th</sup> Meeting of the Parties through the Ozone Secretariat.

### World Summit on Sustainable Development

21. The Secretariat explored further the possibility of further participation at the World Summit on Sustainable Development (Decision 37/1) but the side event related to Summit was cancelled.
