

EXECUTIVE COMMITTEE OF
THE MULTILATERAL FUND FOR THE
IMPLEMENTATION OF THE MONTREAL PROTOCOL
Forty-fifth Meeting
Montreal, 4-8 April 2005

Status of Contributions and Disbursements

Submitted by the Government of Cuba

Proposed Decision

Taking note of the numerous letters sent by the Treasurer urging donor countries that have not paid their contributions to the Multilateral Fund for the Implementation of the Montreal Protocol to do so, without any reply being received from these countries regarding failure to comply with their commitments.

The Executive Committee agrees to send letters to those donor countries that have substantive arrears, up to and including 2004 and have not replied to the Treasurer, asking them to respond and to indicate when they will be able to meet their commitments. The Chair will provide the 47th Meeting with information on this issue.
