EXECUTIVE COMMITTEE OF
THE MULTILATERAL FUND FOR THE
IMPLEMENTATION OF THE MONTREAL PROTOCOL
Fortieth Meeting
Montreal, 16-18 July 2003

A Note from the Secretariat:
Service of the Treasurer (follow-up to Decision 39/3 and Decision 39/4)

1. By letter dated 22 April 2003 (Annex I), the Executive Director of UNEP informed the Chairman of the Executive Committee that in accordance with Article VI of the agreement between the Executive Committee and UNEP, the Executive Committee should consider the following amendment to Article III:

“3.1 UNEP in its capacity as Treasurer shall be reimbursed for costs incurred for services it will provide pursuant to this Agreement. Modalities of reimbursement shall be agreed upon by the Executive Committee of the Multilateral Fund and the United Nations Environment Programme.”

2. As a follow up to Decision 39/3 the Secretariat has:
a) Recruited a consultant and defined the terms of reference for the conduct of the study (see Annex II)
b) The Secretariat has subsequently addressed a letter to ICAO, the World bank, UNIDO, UNDP and UNEP (see attached sample as Annex III), and provided for reference a detailed description of the functions presently carried out by UNEP as Treasurer to the Fund (see Annex IV).

3. The consultant’s report will be transmitted to the members of the Executive Committee as soon as it is completed.
Your Excellency,

I wish to refer to UNEP’s proposal to amend Agreement between the United Nations Environment Programme (UNEP) as the Treasurer of the Multilateral Fund for the Montreal Protocol and the Executive Committee (ExCom) of the Multilateral Fund established by the parties of the Montreal Protocol and offer the following suggestions:

1. According to Article III of the Agreement, UNEP in its capacity as Treasurer will not seek reimbursement for costs incurred for services.

2. During the discussion of the Treasurer Service at the 39th Meeting of the ExCom, it was pointed out that given the changing requirements of the job, the Executive Committee does not expect UNEP to continue providing the services of Treasurer indefinitely without reimbursement.

3. It was also clarified that the Agreement between the Executive Committee and UNEP with regard to the provision of services as Treasurer given free of cost, was valid until cancellation by mutual consent, and that it was incumbent upon UNEP to provide written notice of its desire to change the terms of the Agreement.

4. According to paragraph 6.3 of Article VI of the Agreement which stipulates that any amendment to the Agreement shall require the concurrence in writing of both parties, UNEP proposes for the ExCom consideration, an Amendment to Article III of the Agreement to read as follows:

"3.1 UNEP in its capacity as Treasurer shall be reimbursed for costs incurred for services it will provide pursuant to this Agreement. Modalities of reimbursement shall be agreed upon by the Executive Committee of the Multilateral Fund and the United Nations Environment Programme".

Please Accept, Your Excellency, the assurances of my highest consideration.

Dear Mr.,

Re: Provision of Treasury Services to Multilateral Fund

In accordance with Article III of the Agreement between UNEP and the Executive Committee of the Multilateral Fund signed in 1991, as set out in UNEP/Ozl.Pro/ExCom/5/4/Rev.2 (copy attached), UNEP has undertaken the role of Treasurer of the Multilateral Fund (the Fund) since its establishment. To date, the service of the Treasurer was provided by UNEP without any reimbursement from the Fund.

The Executive Director of UNEP has however advised the Chairman of the Executive Committee, through his letter dated 22 April 2003, that in accordance with the discussions at the 39th Meeting of the Executive Committee where it was accepted that given the changing requirements of the Treasurer's functions, the Executive Committee should not expect UNEP to continue providing the services of Treasurer indefinitely without reimbursement. UNEP proposed that in accordance with Article VI of the above mentioned agreement, the Executive Committee should consider the following amendment to Article III:

"3.1 UNEP in its capacity as Treasurer shall be reimbursed for costs incurred for services it will provide pursuant to this Agreement. Modalities of reimbursement shall be agreed upon by the Executive Committee of the Multilateral Fund and the United Nations Environment Programme."

Prior to that letter, the Executive Committee had agreed by decision 39/3 that the Secretariat explores with UNEP, the World Bank and other potential bodies which might act as Treasurer of the Multilateral Fund, their experience, potential services and fees associated with taking on that role, taking into account the views expressed by representatives at the 39th meeting of the Executive Committee.

Enclosed is a summary of the tasks presently undertaken by UNEP as Treasurer of the Fund. Based on the description of these tasks, I kindly request you to advise:

(a) whether your organization would be prepared to undertake these functions,

(b) whether you could describe for the benefit of the Executive Committee the experience and capacity your institution possesses to undertake these functions,

(c) what financial rules and regulations your institution would apply,
(d) what are the basis of reimbursement that your institution would require to provide these services to the Fund and,

(e) what would be the estimate of the actual costs to the Fund.

I would highly appreciate receiving your feedback on items (a) to (e) above by 20 June 2003 to enable the Secretariat to report back to the Executive Committee at its 40th meeting scheduled for 16 – 18 July 2003 in Montreal, Canada.

Yours truly,

Omar E. El-Arini
Chief Officer
