EXECUTIVE COMMITTEE OF
THE MULTILATERAL FUND FOR THE
IMPLEMENTATION OF THE MONTREAL PROTOCOL
Twenty-third Meeting
Montreal, 12-14 November 1997

REPORT FROM THE TREASURER

The Status of the Fund as at 12 November 1997

1. The tables on the following pages provide information on the Status of the Fund and of Contributions as recorded at UNEP by 12 November 1997. At this time, approximately US \$63 million are available to the Executive Committee for new allocations to the implementing agencies. Of this amount, US \$21 million is in cash and US \$42 million is in the form of promissory notes. As a conservative estimate, it is expected that an additional US \$34 million will be received in the near future, bringing the total available to approximately US \$97 million. Of these total funds expected to become available, about US \$51 million will be in cash and about US \$46 million will be in promissory notes.
2. The Ninth Meeting of the Parties to the Montreal Protocol decided to waive the outstanding 1992 - 1996 contributions of ten Parties for the period prior to the entry into force of the ratification of the London Amendment by these Parties. Accordingly, approximately US \$20.2 million in outstanding contributions has been deleted from the contribution tables of the Fund. This measure is not likely to have any significant effect on the actual payments to the Fund during 1997 - 1999, as only US \$1 million of the waived contributions were included in the carryover figure of US \$74 million estimated at the 8th Meeting of the Parties in connections with the replenishment decisions.
3. The agreed contributions for 1997 have now risen to US \$157.1 million from the original US \$155.3 million due to the addition of two new Parties to the list of contributors subsequent to their ratification of the London Amendment.
