EXECUTIVE COMMITTEE OF
THE MULTILATERAL FUND FOR THE
IMPLEMENTATION OF THE MONTREAL PROTOCOL
Ninety-seventh Meeting
Montreal, 1-5 December 2025

**DECISIONS ADOPTED BY THE THIRTY-SEVENTH MEETING OF
THE PARTIES TO THE MONTREAL PROTOCOL WITH
REFERENCE TO THE EXECUTIVE COMMITTEE**

Table 1 summarizes the decisions adopted by the Thirty-Seventh Meeting of the Parties to the Montreal Protocol on Substances that Deplete the Ozone Layer with a request or invitation to the Executive Committee of the Multilateral Fund.

Table 1. Summary of decisions with a request to the Executive Committee

Decision number	Title	Specific paragraph of the decision
XXXVII/1	Enhancing regional atmospheric monitoring of substances controlled by the Montreal Protocol	5. To request the Executive Committee of the Multilateral Fund for the Implementation of the Montreal Protocol to take into consideration the information, including on the phased approach and the estimated costs, related to establishing and operating atmospheric monitoring stations as outlined in the above-mentioned document ¹ when developing guidelines and considering a funding window to support pilot projects, and provide an update to the parties on the progress undertaken ahead of the Thirty-Eighth Meeting of the Parties.
XXXVII/3	Study on quantities of and options for used and unwanted controlled substances under the Montreal Protocol, including those at their end of life	2. To request the Executive Committee to conduct a review of any national inventories and plans prepared pursuant to decision 91/66 submitted before 1 September 2026 and provide the review to the Ozone Secretariat by 15 January 2027 for subsequent transmission to the Technology and Economic Assessment Panel in order to assist with the preparation of the study referred to in paragraph 1 [of the present decision];
