EXECUTIVE COMMITTEE OF
THE MULTILATERAL FUND FOR THE
IMPLEMENTATION OF THE MONTREAL PROTOCOL
Twenty-third Meeting
Montreal, 12-14 November 1997

OVERVIEW OF ISSUES IDENTIFIED DURING PROJECT REVIEW

Add Annex II (attached) to document UNEP/OzL.Pro/ExCom/23/17/Rev.1

ANNEX II

Discussions between the Fund Secretariat and the World Bank on the following seven projects have not been concluded. In each case, the issues are technical and relate to the eligibility or cost of equipment proposed for funding. There are no significant policy issues on which the guidance of the Executive Committee is needed before an agreed recommendation can be formulated. Consistent with Decision 20/15, the Fund Secretariat proposes that these projects be deferred to permit the technical issues to be resolved, as a basis for reaching agreement on eligibility and cost.

COUNTRY	SECTOR	PROJECT TITLE	AGENCY	\$ Requested
Thailand	Refrigeration	Elimination of ODSs used in the production of household refrigerators at Hitachi Consumer Products (Thailand) Co. Ltd.	IBRD	\$1,227,257
