Executive Committee of
the Multilateral Fund for the
Implementation of the Montreal Protocol

Twenty-fourth Meeting
Montreal, 25-27 March 1998

STATUS OF RECRUITMENT OF MONITORING AND EVALUATION OFFICER

1. At its Twenty-third Meeting, the Executive Committee approved the revised job description for the monitoring and evaluation post within the Secretariat and requested the Secretariat to initiate its submission to the United Nations Classification Office through UNEP for its finalization (Decision 23/68).
2. The Secretariat submitted the job description to the United Nations Office at Nairobi (UNON) following the Twenty-third Meeting. (UNON is responsible for UNEP's personnel matters.) UNON subsequently requested additional classification documentation which was submitted in December and modified per UNON's suggestions in mid-January. UNON has submitted the documentation to United Nations Headquarters in New York for a decision which is still pending.
3. In the interim, the Secretariat has sought the services of a qualified consultant to assist in the implementation of the 1998 Work Programme for Monitoring and Evaluation approved at the Committee's Twenty-second Meeting.
4. The Secretariat will provide an update of the status of recruitment during the Twenty-fourth Meeting.
