CORRIGENDUM

WORLD BANK WORK PROGRAMME AMENDMENTS

The following corrections should be made to the "Comments and Recommendations of the Fund Secretariat":

1. Add "Project Identification and Preparation (Pakistan)" for US \$100,000 to the list of projects in paragraph 1 and change the total to US \$587,520 and the "four supplemental activities" in the first line to "five supplemental activities".
2. Add paragraph 4 bis "A request was received on 20 October 1993 for funding project identification and preparation activities in Pakistan for US \$100,000. This allocation will initiate the Bank's activities in this country".
3. Change figures in paragraph 7 to include the US \$100,000 for project identification and preparation activities in Pakistan. "US \$400,000" becomes "US \$500,000" and the total for work programme amendments changes from "US \$462,520" to "US \$562,520".
