**PROJECTS THAT ARE CLASSIFIED AS “SOME PROGRESS”**

| <b>Agency</b> | <b>Code</b>        | <b>Project Title</b>                                                                                                                                                    |
|---------------|--------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| World Bank    | ARG/REF/18/INV/39  | Elimination of CFC in the manufacturing plant of domestic refrigerators of Neba S.A.                                                                                    |
| World Bank    | ECU/FUM/26/TAS/23  | Demonstration project for testing methyl bromide alternatives in soil treatment for the flower growing industry                                                         |
| World Bank    | THA/HAL/32/INV/134 | Terminal halon-1211 & halon-1301 phase-out project for fire equipment manufacturers and suppliers converting to ABC powder, CO <sub>2</sub> , HFC-227ea and inert gases |
| UNDP          | AFR/FUM/38/TAS/32  | Technical assistance for methyl bromide reductions and formulation of regional phase-out strategies for low-volume consuming countries                                  |
| UNDP          | CHI/SOL/41/TAS/154 | Technical assistance to phase-out ozone depleting solvents                                                                                                              |
| UNDP          | COL/PAG/48/INV/66  | Phase-out of CTC as process agent in the elimination of nitrogen tri-chloride during chlorine production at Prodesal S.A.                                               |
| UNDP          | MAL/FUM/43/TAS/151 | Technical assistance programme to install alternatives and phase-out all remaining non-QPS uses of methyl bromide                                                       |
| UNDP          | URU/ARS/43/INV/42  | Phase-out of CFC consumption in the manufacture of aerosol metered dose inhalers (MDIs)                                                                                 |

Table 2

**PROJECTS FOR WHICH ADDITIONAL STATUS REPORTS ARE REQUESTED**

| <b>Code</b>        | <b>Project Title</b>                                                                                                     | <b>Agency</b> |
|--------------------|--------------------------------------------------------------------------------------------------------------------------|---------------|
| BHE/SEV/43/INS/19  | Extension of the institutional strengthening project (phase II) in Bosnia and Herzegovina                                | UNIDO         |
| GLO/REF/48/TAS/275 | Global technical assistance programme in the chiller sector                                                              | UNEP          |
| KUW/HAL/45/PRP/07  | Preparation of a halon phase-out plan in Kuwait                                                                          | UNIDO         |
| LIB/HAL/47/TAS/26  | Plan for the phase-out of import and net consumption of halons in the fire fighting sector in Lebanon                    | UNIDO         |
| PAN/SEV/44/INS/21  | Extension of institutional strengthening project (phase IV) in Panama                                                    | UNEP          |
| PER/SEV/37/INS/31  | Renewal of institutional strengthening project (Phase 3) in Peru                                                         | UNEP          |
| VAN/REF/36/TAS/02  | Implementation of the PIC Strategy: assistance for enforcing ODS regulations and training programme for customs officers | Australia     |
