the Multilateral Fund for the
Implementation of the Montreal Protocol

Seventeenth Meeting
Montreal, 26-28 July 1995

Corrigendum

WORLD BANK PROGRESS REPORT

Paragraphs 1 and 3 should be modified to note that:

The Bank has subsequently verified that an additional 2,350 ODS tonnes have been phased out for completed projects since the last progress report.

Paragraph 5 should be modified to note that:

The World Bank has subsequently verified that all projects listed in Table I-3 have met the conditions of effectiveness.
